Dear Mr Feil,

APPLICATION FOR DECLARATION OF THE CENTRAL QUEENSLAND RAIL NETWORK UNDER PART IIIA OF THE TRADE PRACTICES ACT 1974

QR National provided a submission to the National Competition Council on 19 July 2010 in response to the Application under Part IIIA of the Trade Practices by Pacific National for the declaration of the services provided by the Blackwater, Goonyella, Moura and Newlands coal railway facilities in Central Queensland owned or operated by QR National and its subsidiaries.

QR National wishes to correct two labels in pictures included in the submission to avoid any misunderstanding.

In Figure 3 on page 9, the label that states "New provisioning shed (low building is Networks Operations Centre)" should state: "New provisioning shed (low building is QR National Coal's Operations Centre)".

In Figure 5 on page 10, the label that states "Network Control/Ops Centre" should state "QR National Coal's Operations Centre".

Yours sincerely,

A handwritten signature in blue ink, appearing to read "M. W.", followed by a horizontal line.

Senior Vice President and Chief Legal Officer
